Dear New Frontier,

As May Convention is on it's way, the time has come for inspired New Fro members to consider running for Regional Executive Board. Running for a position is an exciting opportunity that can be both strenuous and rewarding. There is no better opportunity to set and achieve goals, learn how to work as part of a team, apply important Judaic values, and gain leadership skills. Before running for Regional Executive Board, it is important to fully understand the commitment and expectations that go with it.

This packet includes necessary explanations of each position's role, what it takes to become a board member, and how the New Frontier election process works. Please read all of these materials and familiarize yourself with what you're signing up for, with an emphasis on the Board Member Standards, because they are an important part of your being a dugma (Jewish role model) while on REB. Finally, please complete the qualification sheet and list all prior experience that may have prepared you for a year on REB. This will be distributed to everyone during elections. You are allowed to improvise with the formatting, but keep in mind that you are allotted only one double-sided page.

In addition to completing the packet, applicants will be required to meet with the 2018-19 REB member currently holding the position for which you are running - more details about this are included in the packet.

All required election materials must be received by 6:13 pm Pacific Time, Thursday, April 18, 2019. Incomplete forms and/or forms received after this date will not be accepted, so please account for enough time to collect all required signatures. Please send all forms to both Danit and I: drothstein@uscj.org and newfropresident@gmail.com.

All candidates are subject to review by the Regional Teen Engagement Director, Danit Rothstein, and myself to ensure proper qualification for each position.

If you have any questions, email me at newfropresident@gmail.com or call/text me at (415) 933-9398!

B'Hatzlacha v'Ahava,

Eli Ganz

Expectations of Regional Board Members

During this process, there always comes the question of “What does a regional board member do?” The answer to this question is, in fact, very broad and oftentimes hard to answer. However, these are some of the expectations that **ALL BOARD MEMBERS** are expected to follow during their term in office.

1. **Mandatory** attendance at all regional conventions and as many other regional programs as possible. Regional Executive Board Members are *highly* encouraged to participate in International programs as well.
2. Must be a member in good standing of your USY chapter (*good standing* defined as having paid your chapter dues and attending at least 75% of chapter events).
3. Required attendance at all Regional Executive Board meetings, Regional General Board meetings, unless previously arranged with the USY President or the Regional Youth Director.
4. Observe ALL Regional Executive Officer standards (see following page).
5. Be in contact, by phone or face-to-face visits, with both the Regional USY President and the Regional Youth Director at least once EVERY week (this requires said board member initiating the contact).
6. Be in contact with Regional General Board committee chairs at least once a month.
7. Stay in constant contact with assigned chapters and chapter counterparts throughout the year.
8. Plan ALL programs relating to your position for regional conventions/events.
9. Initiate new projects, as well as facilitate the day-to-day responsibilities of your position.

These expectations are some, but not all, of the expectations that a board member is expected to adhere to. Please take note of them, as you will be expected to meet these expectations if elected to office.☒

Regional Officers Standards

From the International USY Constitution

Introduction: USY leaders serve as accessible Jewish role models to the community by conducting themselves in a way that exemplifies the benefits of living life as modern Conservative Jews. In that capacity, they should demonstrate a strong commitment to Jewish involvement and continuity through the performance of Mitzvot and G'milut Chasadim. This responsibility to serve as a Dugma (role model) is an opportunity for Officers to enhance their commitments to growing in study and observance of the Jewish tradition. Therefore:

1. In order to experience our rich traditions, the Officers of United Synagogue Youth shall observe all Jewish holidays by performing Jewish rituals and partaking in their celebration. The Officers are also expected to attend services.
2. The Officers shall refrain from using social media, and from performing USY-related *Melacha* (work) on Shabbat and *Yom Tov*. Officers are also encouraged to refrain from public functions not in the spirit of Shabbat or the Holiday.
3. In accordance with USY's commitment to Jewish dietary laws, the Officers shall observe Kashrut where possible in private and at all times in public.
4. The Officers will foster a safe and inclusive community. USY leaders should serve as the embodiment of USY's Zero Tolerance policy towards bullying, and create a welcoming environment.
5. The Officers are expected to hold themselves and each other to the highest ethical standards. This includes refraining from *Lashon Hara* (gossip) and treating others with *Kavod* (respect).
6. As an expression of Jewish engagement, the Officers shall participate in weekly Judaic activity, including, but not limited to, United Synagogue Youth programming, attending religious services, and ongoing Jewish learning.
7. The Officers will strive to model healthy Jewish dating choices. These include recognizing the importance of dating within the Jewish community and treating each person with the recognition that they were created *Betzelem Elohim* (in the image of God).
8. The Officers shall refrain from the illegal use of drugs and the illegal use of alcohol.
9. As committed and engaged members of United Synagogue Youth, the Officers shall participate actively in the affairs of their respective synagogues, Chapters, and Regions.
10. As representatives of USY, the provisions contained herein shall also apply to the remainder of the membership of the International General Board as well as all members of Regional USY Executive Boards.
11. The Director of Teen Learning and Regional Youth Directors have the responsibility to support our USY leaders in growing in these areas by working with each elected officer on a personal plan for development.☐
